

# *n* FOCUS

A woman is the central figure, looking upwards with her head tilted back. She wears a dark, shimmering dress adorned with intricate beading and sequins. A long, sheer, light-colored veil or fabric piece is draped over her head and shoulders, held up by her right hand. Her left hand is positioned near her chest. The background is a deep, solid black, which makes the woman's dress and the light-colored fabric stand out. The overall mood is elegant and dramatic.

# HOLIDAY GIFT GUIDE

**THE HOLIDAY SEASON** may feel like a blur, but holiday shopping should be a joy. Each year, we publish some helpful ideas for gifts and stocking stuffers, designed to fit a variety of tastes for even the most (ahem) discerning of recipients.

This year, the co-chairs of Sunday in the Park, the Symphony Ball, the Antiques & Garden Show, the Ballet Ball and the Symphony Fashion Show helped us curate ideal gifts for the special people in your life. The teams have combed the city for great ideas to help in this season's holiday gift search.
